

A commitment to quality

## **AMBIKA INDUSTRIES**

(AN ISO 9001:2015 CERTIFIED COMPANY)

Manufacturer of precision Metal Components  
Since 1982

### About (AMBIKA INDUSTRIES)

**Ambika Industries** offers a unique specialization in the manufacturing of precision Metal Components and is one of the leading independent manufacturers of Brass components in Brass City Jamnagar, Gujarat India. Our machined components are produced exclusively from brass, ranging from **2mm to 100mm** thick section

Decades of experience in the manufacturing & Supplying Brass, Copper, SS, MS components put us in a position to share our valuable knowledge with our customers.

**Ambika Industries** was established in **1982** with **200** square feet rented space and limited infrastructure. That small family business has now grown to 1500.ft. Overall area and Running with Vision to Developing infrastructure.

#### **ISO certificate registration No. 15068-QMS**

**We make Metal Components for:**

- **Battery Industries**
- **Agriculture Industries**
- **Transformer Industries**
- **Electronic Industries**
- **Pneumatic Industries**

We can develop and produce any components as per customers' specification and drawing. And many more industries from small and medium scale sectors...

### Quality Policy:

Ambika Industries is committed to achieve customer satisfaction and continual improvement of its business chain by delivering products which are in conformance with approved and required specification on time by team efforts, adopting advance technologies and upgrading the competence of the employee involved.

### Objectives:

Minimum 8 to 10 hours training to all the employees during the year.  
100% on time delivery.  
Develop at least one new product for a new customer.

### Way to Achieve Customer Delight:

1. Inspection and verification system for in-process material
2. Traceability of material from dispatched product to batch of raw material used
3. Assuring, monitoring and controlling complete quality control plan
4. Assuring, monitoring and controlling supply chain and production planning
5. Automatically vendor approval and vendor rating
6. Assessing, confirming and taking care of customer schedules
7. Monitoring and controlling cost and quantity of all input materials and services at all the stage of production

### Capacity and Facilities at Ambika Industries

At Ambika Industries, we offer a comprehensive array of machining capabilities and ancillary processes to ensure that your jobs always confirm to specifications. Our wide range of capabilities allow for Economical, high-quality production of All Metal-components in any volume. Whether your order is Large or small, Ambika will provide you with the personalized attention your business deserves. Ambika has number of Multi slides automates, Semi Automates, drilling machines and Grinding Machine etc..to manufacture quality Metal components.

**Production Facilities**

Sr. No.	Machine Description	Code No.	Make / Model	Capacity / Size
01	Automatic Turning	AT-01	Assemble	1" Aani
02	Automatic Turning	AT-02	Patel	4" Aani
03	Automatic Turning	AT-03	Nishit	8" Aani
04	Threading Machine	THM-01	Techno	1 Inch
05	Threading Machine	THM-02	Assemble	8" Aani
06	Threading Machine	THM-03	Assemble	8" Aani
07	Turning Machine	TM-01	Techno	1 Inch
08	Turning Machine	TM-02	Techno	1 Inch
09	Turning Machine	TM-03	Kelvin	12" Aani
10	Turning Machine	TM-04	Kelvin	12" Aani
11	Turning Machine	TM-05	Kelvin	1 Inch
12	Automatic Drill	AD-01	Assemble	4" Aani
13	Automatic Turning Cutter	ATC-01	Nishit	8" Aani
14	Automatic Double Drill	ADD-01	Nishit	8" Aani
15	Automatic Double Drill	ADD-02	H,S	12" Aani
16	Automatic Die Box	ADB-01	H,S	10" Aani
17	Hand Opertion	HO-01	Assemble	4" Aani
18	Hand Opertion	HO-02	Assemble	4" Aani
19	Hand Opertion	HO-03	Assemble	4" Aani
20	Slot Machine	SM-01	Assemble	----
21	Uni. Slot Machine	SM-02	Assemble	6" Aani
22	Uni. Slot Machine	SM-03	Kelvin	6" Aani
23	Drill Machine	DM-01	Kelvin	25MM
24	Grinder	G-01	Jyoti	0.5HP

## Expansion Plan:

Currently Ambika Industries produces and supplies 30000 Nos. different kind of component per day and it is planning to increase its capacity to 50000 Nos. components per day within next 3 years. For that huge expansion plans for manufacturing in 10000 sq. ft. area is under process. And In first phase of expansion, approximately 4000 sq. ft. production area will be built during 2021 & will be fully operative in 2023.

## Some of Our Product Range

### Brass Pin terminals

---

### Brass Inserts & Plug

**Brass Battery terminals**

## Copper Terminals Inserts

## Lead-Tin Coated Terminal Inserts

## Tin Coated Terminal Inserts

## Silver Coated Terminal Inserts

---

## ICC Connector

## MS Cu+Sn Coated Fasteners

---

## SS Fasteners

## SS316L Fasteners

## Brass Precision Components

**Switchgear Components in Brass/Copper/Aluminum**

**Brass/Copper Hex Nut**

**Pneumatic Components**

**Automobile Components in Brass/Copper/Aluminum**

## Certificate of Registration

This is to certify that the Management System of:

**AMBIKA INDUSTRIES**

Plot No. 467/A, Shankar Tekri, GIDC, Near SBI Bank, Jamnagar-361 004, Gujarat, India

has been approved by Alcumus ISOQAR and is compliant with the requirements of:

**ISO 9001: 2015**

Certificate Number:	15068-Q15-001
Initial Registration Date:	11 January 2017
Previous Expiry Date:	11 January 2020
Recertification Date:	28-29 December 2019
Re-issue Date:	09 January 2020
Current Expiry Date:	11 January 2023

### Scope of Registration:

Manufacture and Supply of Brass Components

Signed:  
Steve Stuble, Technical Director  
(on behalf of Alcumus ISOQAR)

This certificate will remain current subject to the company maintaining its system to the required standard.  
This will be monitored regularly by Alcumus ISOQAR. Further clarification regarding the scope of this certificate and the applicability of the relevant standards' requirement may be obtained by consulting Alcumus ISOQAR.
